

Need a change of direction?

Sometimes you're on the wrong road and need to turn around. Sometimes you don't even know you're on the wrong road until you look for a sign. Tony Evans has created a new Bible study that addresses either scenario. Over six sessions, he discusses the reality of human freedom, the consequences that come from bad choices, and the way to reverse the consequences. By aligning your life choices under God's Word and pursuing an intimate relationship with Him, you can experience the abundant life Jesus has for you. Learn more online or call 800.458.2772.
