Think Biblically

Addressing Cultural Issues with **Clarity** and **Boldness**

**Sexuality. Gun-control.
Climate change. Abortion.
Yeah, we're going there.**

Many Christians think we should stay far away from topics like these, but the world isn't. If we want our students to think biblically about them, we can't be afraid of them. This six-week study will help equip students to wrestle with these issues (and more) from a biblical worldview and equip them to engage in conversations with the love and kindness of Jesus.
